

No Minutes for Board of Directors

Meeting of March 23, 2021

The Kern Regional Center Board of Directors for March 23, 2021 was opened by the Board of Directors President, Dr. Jasmeet Bains at 6:30 PM; however, it was noticed right away that the Zoom links were not operating correctly and the public could not access the meeting.

Due to the public not being able to access the meeting, Dr. Bains immediately halted the proceedings and deferred the agenda to be taken up at the next scheduled meeting of April 27, 2021. Meeting notices will be published on the website notifying of the April meeting along with appropriate links to connect.
