## What is Special Olympics?

Special Olympics is a global movement of people creating a new world of inclusion and community, where every single person is accepted and welcomed, regardless of ability or disability. We are helping to make the world a better, healthier and more joyful place—one athlete, student, volunteer, and family member at a time, all through the power of sports!

Athletes participate in our programs at **NO COST** thanks to our generous donors, sponsors, and partners!  
**Kern County athletes range from age 2 to 79!**

**Thursday April 13th**
