

Kern Regional Center (KRC) seeks to ascertain stakeholder input regarding the proposed project priorities for Fiscal Year 2024-2025 Community Placement Plan (CPP) / Community Resource

Development Plan (CRDP) projects. WIC Section 4679(c) authorizes the Department of Developmental Services (DDS) to allocate funds to regional centers for purposes of community resource development to address services and supports needs of individuals living in the community, and to issue guidelines on the use of these funds.

Pursuant to the DDS published 2024-2025 CPP/CRDP Guidelines, KRC conducted outreach activities throughout the year with diverse stakeholder groups, including individuals, family members, providers, and regional center staff to solicit input for the 2024-2025 CPP/CRDP projects. Additionally, a review of associated data identified trends in demographics and service needs leading to the following proposed list of projects:

- One Enhanced behavioral Support (EBSH) Home with Delayed Egress and secure perimeter for four individuals (male) who may reside in a State Developmental Center, Institution for Mental Disease, etc.
- One Enhanced behavioral Support (EBSH) Home with Delayed Egress for four individuals (female) who reside in the community however need additional supports.
- One Community Crisis Home (CCH) with Delayed Egress for clients who reside in the community but need a supportive environment to stabilize.
- One Children's crisis home (service code 090) with Delayed Egress for children who reside in the community but need a supportive environment to stabilize.

For those stakeholders interested in providing input regarding the identified projects, please contact lclark@kernrc.org, subject line "FY24-25 CPP/CRDP," **by September 30, 2024**. (Please Note: This is a request for input on the identified projects only. A Request for Proposals for DDS-approved projects will be posted at a future date.)
